Dear Mr Jones

Thank you for your correspondence dated 3 July 2024 to the Hon Rita Saffioti MLA, Deputy Premier; Minister for Transport. Your email has been referred to me as the Minister Assisting the Minister for Transport.

I understand you met with my Policy Adviser, Carolyn Monaghan, who has briefed me on your request regarding Zero Emission Vehicle Rebates for electric motorcycles.

The Zero Emission Vehicle Rebate Scheme was introduced to encourage and increase the uptake of zero emission vehicles in Western Australia as part of the Government's Clean Energy Car Fund.

The scheme's eligibility requirements were designed by Treasury to target the market segment where there would be greatest impact, notably light vehicles. The aim was to improve affordability and stimulate the market as the WA transport sector transitions away from oil dependency.

No Australian jurisdiction included motorcycles in their available rebate scheme for zero emission vehicles and while I appreciate your suggestion, however the WA Government is not considering the Zero Emission Vehicle Rebate Scheme beyond the rebates currently on offer.

Yours sincerely
