2024 Forest Festival Stallholder Information

Instructions for Stall Holders/activities

- Please keep all vehicle movements to walking pace – Stirk Park is open to the public and there will be kids and families nearby
- Entry into the event area will only be from Kalamunda Rd, just past the Bowling Club. When parking, please consider other vehicles, so leaving room for them will allow everyone's set-up and pack down to go smoothly
- The Forest Festival will go ahead rain or shine so please make sure you bring your tables chairs marquees and weights to keep them down
- The site has heaps of room so if you've always wanted to put up an extra table or display and move a bit outside your normal 3x3m or 3x6m or other space, now's your chance! Please just let us know when you arrive 😊
- Most of all – make sure you come ready to have a fun day surrounded by trees and music!
