Connectivity	Optus and Telstra services, Starlink satellite terminal.
Charging	RFID cards Redundant charging options

State of Qld charging

A man with a beard and glasses, wearing a black puffer jacket, is looking down at a smartphone. He is standing next to a red car. In the background, there is a body of water and a distant shoreline. The image has three text overlays on the right side: a blue box with 'Figure 8', a green box with 'DONE', and a yellow box with 'How far did we go?'.
