

Australian Electric Vehicle Association

Newsletter

Queensland Branch

March 2025

The position of Chair Person is vacant. Looking for a club member to assist.

Help requested with newsletter content, display themes and arranging attendance for events.

Also, a club member is looking for two people to help answer questions / keep eye on visitors for Sustainable house day in the Regents Park area.

Please email secretary@qld.aeva.asn.au if you can help.

Everything electric

Everything electric was on 7th – 9th March. Many AEVA club members travelled to Sydney to attend the event. There were many vehicles to look at and speakers to listen to.

Nathan took some photos from the show.

Geely Farizon SV

Deepal E07

EV DJ (Kia EV6)

AEVA Booth

LeapMotor C10

Youtube Channels

Citroën Ami

<https://www.youtube.com/@MeandMonAmi>

Light quadricycle from France. Owners take trips around their local and neighbouring towns.

Logistics

<https://www.youtube.com/@electrictrucker>

Truck driver Tobias and his dog Krümelix travel across Germany in a battery-electric heavy-duty logistics truck.
